6. **Limited Warranty.** (a) Seller warrants that the Goods will be free from defects in material, workmanship, and title, and where applicable will conform to the specifications furnished by Seller or, if agreed to in writing by an authorized representative of Seller, specifications furnished by Buyer. Any custom specifications developed by Seller for Buyer must be approved in writing by Buyer before raw materials can be purchased or before Seller can manufacture the Goods. Seller reserves the right, at any time, to make changes in the design of specification of the Goods, or any part thereof, which Seller, in its sole discretion, believes will constitute an improvement in such Goods or parts thereof.

(b) The warranty and remedies set forth herein are conditioned upon proper storage, installation, use and maintenance of the Goods, conformance with any applicable technical requirements of seller and conformance with applicable laws and technical standards, including without limitation, ANSI, ASTM and OSHA. Seller will not indemnify Buyer if the claim of infringement is caused by Buyer's modification of the Goods or use of the Goods other than as reasonably contemplated by the parties; Buyer's failure to use modifications made available by Seller; Buyer's use of the Goods in combination with any goods or products not provided by Seller; or information, directions, designs, specifications or materials provided by Buyer. If the Goods, or any part thereof, are in such suit held to infringe a United States patent and the use of said Goods or part is enjoined, Seller shall, at its own expense and option, either procure for Buyer the right to continue using said Goods or part; replace same with a non-infringing product or part; modify the Goods or part so it becomes non-infringing; or remove said Goods or part and refund the purchase price and the transportation cost thereof.
